

Mother's Day Month of May

Are you on the journey to becoming a mother?

growing the Well Within a fertility circle

CIRCLE DESCRIPTION:

Gather among women like yourself in the exploration and understanding of the foundations of Chinese medicine, their relationships with nature and how they support you through the cycles of reproduction.

As an acupuncturist, I am honored to share with you an ancient and poetic practice that will empower you on your unique path to reproductive health. With a small amount of wisdom, we *together* can create great things.

You will be encouraged to bring a journal, an open heart and soft pillow or blanket each week to support your experience.

CIRCLE DATES: 4-6 pm weekly

May 1, 2023 – Wood Phase – Tubal Migration

May 8, 2023 – Fire Phase – Menstruation > Ovulation

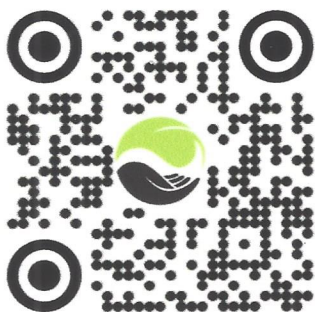

May 15, 2023 – Earth Phase – Ovulation > Endometrial Proliferation

May 22, 2023 – Metal Phase – Implantation > Heavenly Reception

May 29, 2023 – Water Phase – Genetic Imprint > Impetus of Spirit

This is an in-person circle designed to assist you along your fertility journey and will be held every Monday in May in Johnson City, TN

Co-facilitated by Bae Parker, state licensed and nationally certified acupuncturist and Lindley Myers, nationally recognized child welfare expert who has been convening circles for several years.
